Acting Principal's Report**The Big Move Continues**

Tomorrow is moving day for Grade 1/2Z and 1/2S. Their new home, the Artroom, which has been painted and refurbished, is ready to accommodate the two grades. Thankyou to those parents who have indicated that they will be assisting us from 10am -12 noon with tomorrow's move.

We received notification from Region that the Mod 5 classroom that will house 1/2R and 1/2D during the building process will be delivered during the second week of the holidays. It will then take 2-3 weeks before for the building is ready to be occupied. As a result, 1/2R and 1/2D will spend the first 2-3 weeks of Term 3 in

the library. Their classroom furniture and materials will be moved to the library during the last day of this term.

Individual Student Portfolios

Tomorrow, in addition to his/her report, your child will bring home his/her Individual Student Portfolio. The portfolio is a further means of documenting student learning, informing you of your child's progress as well as encouraging and supporting your child to take greater responsibility for their learning.

Please note that, while your child's portfolio contains samples of their work throughout Semester 1, it is not a document to show case their best work but rather a document that reflects their learning journey.

We encourage you to take the time to read and discuss the work samples with your child, giving him/her the opportunity to tell you

about their work and celebrate their achievements and successes.

Please ensure that the Portfolio is returned to school on Monday 22 June 2009.

Wendy Ashworth
Acting Assistant Principal
