## Student Dress Code

**Date ratified:** September 2021

**Review date:** August 2024

### Purpose and rationale

The purpose of the Student Dress Code is to outline Aberfeldie Primary School's requirements for student dress and appearance, and to provide information about uniform purchase and support, dress code implementation and exemption processes.

The Student Dress Code has been developed by Aberfeldie Primary School's School Council in consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

A uniform dress code reinforces in students, a pride in their own appearance, instills recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, culture, weather and expense are also factors that contribute to the establishment of the Dress Code.

### Scope

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities and excursions.

### Implementation

- The Principal is responsible for the implementation of the Student Dress Code consistent with the Student Code of Conduct.
- Arrangements can be made, at the Principal's discretion, to supply uniforms via State Schools Relief for families experiencing economic hardship (refer Appendix A).
- The Principal is responsible for the operational tasks of granting uniform exemptions consistent with the current DET student dress code (refer Appendix B).
- Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.
- If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, parents/caregivers will be notified.
- If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and the school will continue to work with the student and family.

**Note:** *Measures taken by Aberfeldie Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.*

## Purchase of uniforms

All uniforms with the Aberfeldie Primary School Logo must be purchased through the approved school supplier, Noone at their retail address: 543 Keilor Rd Niddrie. Non-logo uniform items can be purchased from other retail stores as long as the items comply with the dress code and school colours.

A second-hand uniform store for families operates throughout the year. This store is resourced through clothing donations and volunteers. For further information please contact the school office.

## Sun safety

School uniform hats must be worn outside from mid-August (exact date to be set by the school annually) to 30 April and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent or student choice. Hats are not to be worn inside.

## Concerns about this student dress code

Aberfeldie Primary School welcomes feedback from the school community in relation to this Student Dress Code. If you have a concern or complaint about the Student Dress Code, further information is available in our school's *Parent Complaint Policy*, available from the school website.

# APPENDICES

## APPENDIX A: Support for families experiencing difficulty

Please contact the Principal to discuss support that we may be able to provide to families experiencing difficulty meeting uniform costs, including information about eligibility for uniform support through State Schools' Relief. Further information about State Schools' Relief is also available on their website: <https://ssr.net.au/>

## APPENDIX B: Exemptions to student dress code

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the decision to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
